The Dermalogica Skin Treatments -

The Dermalogica Skin Treatment is 100% customised to your skins needs based on a thorough zone by zone Face-Mapping skin analysis. Each treatment includes cleansing, exfoliation, masque, toner and skin protection. To complete your treatment experience you can customise your skin treatment with your choice of touch therapy.

Dermalogica Menu -

Age Smart - *Revitalising, smoothing, nourish, regenerate and energise*

Ultra Calming - *Relief for sensitised skin, calms, soothes and replenishes irritated inflamed skin*

Medibac Clearing - *It's the end of the line for adult acne, with this powerful line of products designed to jump start acne clearing*

PowerBright - *This highly potent specialised skin treatment accelerates skin brightening, which improves texture and balances skin tone while regulating overactive pigment cells. Our unique combination of advanced exfoliation, penetration technology and active peptide ingredients work to treat and control Hyperpigmentation at its core, the result? Clearer, smoother, brighter more evenly toned luminous skin.*

All of the above treatments - (60 minutes) 45.00

Microzone - *Want a professional skin treatment but short on time? We'll address your top skin concern with our exclusive Dermalogica Microzone treatment after consultation and face mapping skin analysis we will determine your skins most pertinent skin needs and focus on key stages of treatment to get you maximum results in minimum time*
